Learn More About Club Nintendo

How Do I Earn Points?

All purchases of physical and/or digital software, amiibo and eligible merchandise through the Nintendo eShop will automatically deposit earned points to your MyNintendo account. Members will receive three points for every one dollar spent in each transaction. These points can be redeemed for exclusive items within the Club Nintendo Member's Shop! Points may also be redeemed as credit towards a purchase made through the Nintendo eShop (a dollar is redeemed for every fifteen points earned).

Our Recommendations

There are many excellent titles on the Nintendo eShop available for purchase, but these are some that we think you'll love based on what other members are enjoying right now.

Kirby Air Riders | $69.99
Metroid Prime 4 - Nintendo Switch 2 Edition | $69.99
Pokemon Legends: Z-A - Nintendo Switch 2 Edition | $69.99

Thank you for your purchase! You'll soon receive a confirmation for your purchase with tracking information once your items ship. You've earned [calculate points] points with this purchase and they'll be deposited to your account shortly.

Redeem Points for Super Rewards

Club Nintendo Members have access to an online shop full of exclusive items available for purchase with acquired points. Our selection of available items rotates seasonally, so be sure to browse our stock from time to time!

Here are some of the highlights of our current rotation:

Pokemon - Totodile Plushie | 75 points
Metroid Dread - EMMI Figure | 120 points
Donkey Kong - Banana Mug | 90 points

You can view more items available with points redemption at the full Club Nintendo Members Shop.
